Chief Executive Officer

Job Profile

We are looking for

a Chief Executive Officer who will:

- ✓ Lead our team and advance our vision and strategy
- ✓ Pursue new business, promote innovation, and create opportunity for change and expansion
- ✓ Inspire excellence and build leadership capacity
- ✓ Develop our human and technical resources
- ✓ Be the public face of Context, building strong and sustainable relationships and promoting the excellence of what we do and how we do it.

The perfect fit

To thrive as Context CEO, you will have demonstrated already that you are an inspiring leader and a prudent manager. You have a business mind-set and can see the “big picture”, and will understand the potential in our combined service portfolios.

Guiding the company on its continuing successful journey, you will harness the intelligence and experience of the Context team together with business metrics and quality statistical data, to inform business decisions and manage the organisation effectively.

You have effective communication skills, a proven personal and professional capability in anticipating, addressing and managing conflictual challenges, and a track record of working through respectful professional relationships with all company stakeholders.

You have strong core values and will share and be committed to acting congruently with ours – integrity, humanity, accountability and sustainability.

In this time of change for Context, you will work with the Board to ensure a smooth transition for employees, clients and suppliers, and to continue to drive the business.

As to reward, we will offer a competitive remuneration package and a five year contract.
